In the Drawings:

In the Office Action, the Examiner indicated that the proposed drawing corrections filed May 27, 2003, had been approved and that corrected drawings were required in reply to the Office Action. As requested, Applicants submit herewith a replacement drawing sheet entitled "Replacement Sheet" as a substitute for sheet 2 of the drawings filed originally and showing the drawing changes which were approved by the Examiner. Approval and entry of this replacement drawing sheet including the previously approved changes to FIG. 4, is respectfully requested.
